

Step into Bar Du Port Beach, where sunlit shores meet laid-back Riviera energy. A place shaped by salt air, golden hours, and effortless style, where every cocktail is designed to be enjoyed with your feet near the sand and your eyes on the horizon.

Our collection of cocktails reimagines the art of flavour through herbs, fruits and and sensory craftsmanship - where nature's chemistry becomes poetry in a glass.

Each drink is a journey, vibrant, elegant, and a little mischievous, designed by artisans who see cocktails not just as recipes, but as experiences that awaken memory, curiosity, and joy.

Here, you'll find balance between boldness and beauty, between the familiar and the fantastic.

Sip slowly, laugh freely, and let your senses drift somewhere between Marseille and Mexico, Provence and Paradise.
